INNISHANNON,
County Cork

Dear Anthony,

I would like to take this opportunity to express my sincere thanks for the level of dedication and commitment in achieving the time-scales set in delivering the portacabins to our school. I am absolutely thrilled with them and I know the staff and children are equally pleased.

I was very impressed by the way the work was handled by your company, in particular with the portacabins which had to be of an extremely high standard and specification. They definitely met the standard and I would certainly have no hesitation in recommending your company to other schools.

Thank you all and I look forward to working with you again.

Yours faithfully,

John Slattery,
Principal
