To whom it concerns

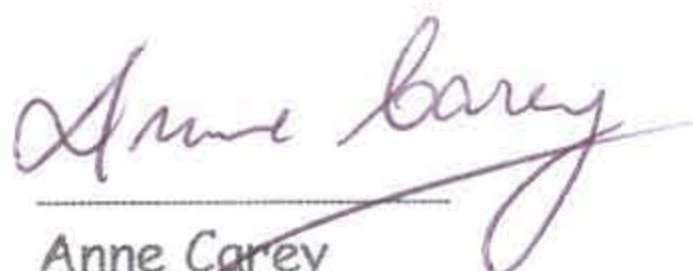

When we got sanctioned for temporary accommodation for our new resource teacher we asked a few local schools for advice. It was a new experience for us and we wanted the accommodation to meet the needs of the children and the school. The name **Masterkabin** kept coming up so it was one of several we contacted.

From the outset, Anthony O'Donovan and his staff were professional and efficient. Anthony took time to listen to our needs before drawing up a suitable spec. He explained clearly the procedures and timeframe involved in installing a portacabin. He was punctual and businesslike at meetings as were his team. They arrived promptly on the day of installation. They had to change the initial plan and did so efficiently and professionally.

Thanks to Anthony and his team we now have a bright, comfortable classroom, ideal for our resource needs.

I am delighted to recommend **Materkabin** to any school looking for temporary accommodation.
