Introducing

Masterkabin Mobile Exhibition Units

Mobile Exhibition Units

Road Worthiness?

Masterkabin mobile exhibition units come fully NSAI (National Standards Authority of Ireland) certified.

They also come fitted with removable tow bar, safety chain, emergency braking system, warning deflectors, and an electrical connection for all required lights.

Simple to set up, be ready to Display in Minutes!

Take the hassle out of
Exhibition Marketing!

- No need to waste time setting up day before.
- Unit comes ready to simply hitch on, and drive away.
- Carry all display boards etc. in the unit, load up from your premises and go direct to site.
- At the end of the exhibition be back on the road in minutes.

Why choose Masterkabin Mobile Exhibition Unit's?

- In house design team so you get just the right unit you require.
- Full turn-key marketing design and print available.
- Trusted supplier with years of experience.
- Instant shelter with the pop up canopy.
- Built in wind deflector for smoother and easier towing.
- Fold out steps ready in seconds for safe access in and out of the unit.

Exterior Features...

masterkabin[®]
we can accommodate you

Fitted out internally, to suit your individual requirements.

- Stylish leather bench seating for break times, meet and greets etc. complete with ample storage space underneath.
- A choice of floor coverings, from the standard vinyl and carpet to the more eye catching woodgrain and astro turf.
- Kitchenette's available with options on a sink, fridge, burco boiler, worktop and cupboard space.
- Podium style display box.
- Multi directional spotlighting and double electric sockets as a minimum standard.
