Area = 14.m² (160ft²)

The 16ft x 10ft Unit

Another popular size jackleg unit, offering similar portability as the 12ft x 10ft, but with a little extra space for a second person, or perhaps a toilet/store
Suitable for one -two people

Area = 28.m² (300ft²)

The 30ft x 10ft Unit

Is a fairly long unit, which requires more space on site. However the extra length offers great scope for adding toilets, kitchenettes etc. to the layout if required
Suitable for two -six people

1 Canteen

2 open plan office

The 40ft x 12ft unit

The largest standard jackleg unit. Requires more planning for delivery, craneage, wide load permits etc. but offers an unrivaled amount of floor area in a self contained and ready to occupy unit. The additional two feet in the width brings enormous sense of space
Suitable for eight to thirty five people

3 40ft x 12ft layout option option 1
